

## Feed Back Questionnaire May 2011

The Men's group has been running now for a few months and I would like to gauge what you are feeling about the group and get an idea of where you would like it to go. I will then take all the information given by each of you and prayerfully look at the future. The focus of the breakfast get-together has been to build bridges and bring new people into our numbers be they already followers of Jesus or not. We are now looking at introducing a more focused part of the group concentrating on teaching and bible study.

Please answer the following questions honestly and in as much detail as you feel you need, using the reverse of this sheet if necessary.

1. How many get-togethers have you attended? \_\_\_\_\_
2. Are you a regular attender at Elim Christian Centre? Y/N
- 2a.If not where do you attend. \_\_\_\_\_

The initial plan is to have simple breakfast get-togethers each month, with specials each quarter. As mentioned above we will be looking to introduce more focused get-togethers.

3. If this were to be arranged for an evening during the month, would you be interested in attending.
